Realgy Energy Services is not the same as your utility, ComEd. The above pricing is effective at the start of each month. The utility electric supply price to compare does not include the purchased electricity adjustment factor. For more information, go to the Illinois Commerce Commission's free website at [www.pluginillinois.org](http://www.pluginillinois.org).

ComEd supply prices include the costs of all required electric energy, energy to satisfy losses, electric generation capacity, volumetric risk management, transmission services, ancillary transmission services, uncollected costs, administrative services, and other necessary services.

Note: Real-time price changes in the power market can affect first-of-month pricing.

Realgy Energy Services ManagedPrice™ includes Realgy Energy Services supply charges and a participation fee. Features of our electric ManagedPrice™ can be found: <http://realgyenergyservices.com/service-plans-53/>
