CITIZENS Energy Select Program

Energy Select is a free program available to natural gas customers served by CITIZENS that allows YOU to choose your natural gas supplier. While CITIZENS would continue to service your gas meter and issue your monthly gas bill, YOU CAN CHOOSE who manages your gas supply costs. Typically, gas supply comprises about 65 to 70% of your annual gas bill, while transportation and service charges make up the balance. Take advantage of the competitive natural gas marketplace to potentially save money on your gas bill today!
