Realgy Energy Services is not the same as your utility, ComEd. You are not required to enroll with Realgy. The above pricing is effective during each month. The utility electric supply price to compare does not include the purchased electricity adjustment factor. For more information, go to the Illinois Commerce Commission's free website at www.pluginillinois.org.

ComEd supply prices include the costs of all required electric energy, energy to satisfy losses, electric generation capacity, volumetric risk management, transmission services, ancillary transmission services, uncollected costs, administrative services, and other necessary services procured by the utility to serve the customer.

Note: Realgy's pricing is from 1st of the month for the Rate/Service Plan shown.

Realgy Energy Services ManagedPrice™ includes Realgy Energy Services supply charges and a participation fee. Features of our electric ManagedPrice™ can be found: <http://realgyenergyservices.com/service-plans-53/>
